Meeting

9/9/25

- Summary * Mr. Ramirez discussed recruitment and hiring process.
- * BP/AP 3530 was about weapons on District property. Some students wanted to know about personal safety measures.
 - * A few council and committees needed to be filled, PT employees could be part of it.
 - * Dual enrollment task force committee presented how high school teachers are able to teach college courses and how to evaluate them.
 - * In my opinion, course curriculum should be same.

9/23/25

- * Curriculum Summary report was presented by Dr. Manalo.
- * We discussed same action items as on 9/9/25.
- * Main topic was Multicultural and Gender studies elimination from Fall 2026. It could affect student's population.
- * AHC is doing a great job assisting students academically and economically from any background.
- * College and Career access pathway course and support services was discussed by Dr. Reed.

I certify that I attended the above meeting on behalf of the Part-Time Faculty Association of Allan Hancock College.
